

**Victoria County
United Way**

The community campaign goal is set: **\$871,000.** This is our call to action. When we all pitch in, everyone benefits. **Please Give!**

We are looking for heroes...

Join me in doing what Victorians have always done: demonstrate a quiet confidence, a stubborn strength that will not let us fail and a remarkable generosity in giving our time, talents and gifts.

As children we all had dreams of being a super hero. Saving the day, standing up for Truth, Justice and the American way! As adults, that spirit is alive within us; it never left. **Be a hero!** The Victoria County United Way Community Campaign is up and running. We need you to be the hero you were always meant to be! Our campaign volunteers will be calling upon businesses and individuals throughout the County. When they call on you please take a moment to consider:

- Increasing your past gift
- Giving for the first time
- Encouraging others to give

Be a hero. Please give.
- Russell Janecka
2011 Campaign Chair

A Pacesetter sets the tone and takes on the challenge to produce early results. A very special thank you to our Pacesetter companies, their employees and individuals for doing the extraordinary, **raising \$190,278 for 22% of goal, to set the pace** for the 2011 United Way Community Campaign.
